TRIBAL TRANSPORTATION PROGRAMING LONG RANGE TRANSPORTATION PLANNING

Native Strategies is a certified Native American Owned Small Business and Indian Small Business Economic Enterprise headquartered in Oklahoma with offices throughout the United States serving clients locally and nationally.

Our Tribal Transportation planning team assists in the renewal and update of TTP & LRTP following the Tribal Transportation Program Regulations (25CFRPart 170, codified November 7, 2016). Our team has completed the required training and is active within the BIA's Road Inventory Field Data System (RIFDS). These plans will address future land use, economic development, traffic demand, public health, safety, & social needs, & include but are not limited to the following:

RIFDS INVENTORY UPDATES
EVALUATION OF TRANSPORTATION MODES
TRIP GENERATION STUDIES
SOCIAL & ECONOMIC DEVELOPMENT PLANNING
HEALTH & SAFETY IMPROVEMENTS
REVIEW OF EXISTING & PROPOSED SYSTEMS
CULTURAL PRESERVATION
SCENIC BYWAY & TOURISM PLANNING
ENERGY CONSERVATION & SUSTAINABILITY
SHORT & LONG-TERM NEEDS
FUNDING ANALYSIS
